WP(C) No. 24161 of 2007

Dated, this the 21st day of August, 2007

J U D G M E N T

The prayer is only for direction to the respondents to give electricity connection to the petitioner. Petitioner's case is that supply was disconnected on account of arrears and petitioner has cleared all arrears. Learned Standing Counsel for KSEB on instructions submitted that line installed is dismantled and petitioner will be given fresh connection. If installed line is not dismantled, there will be direction to the respondents to give connection without any delay on petitioner complying with all formalities and on depositing the required amount towards security and cost of other charges. However, if installation is dismantled, then connection will be given in the usual course at the earliest.

This writ petition is disposed of as above.

(C.N.RAMACHANDRAN NAIR, JUDGE)
